Q3)

blog will be fixed as soon as possible

Q4)

Shirtcode tables not showing ??

We didn't understand your query

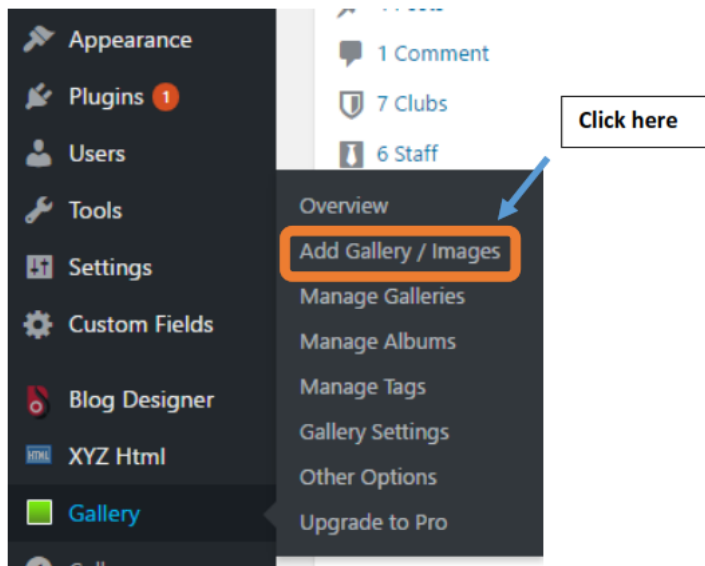

Please elaborate

Q5)

G) How to change highlight

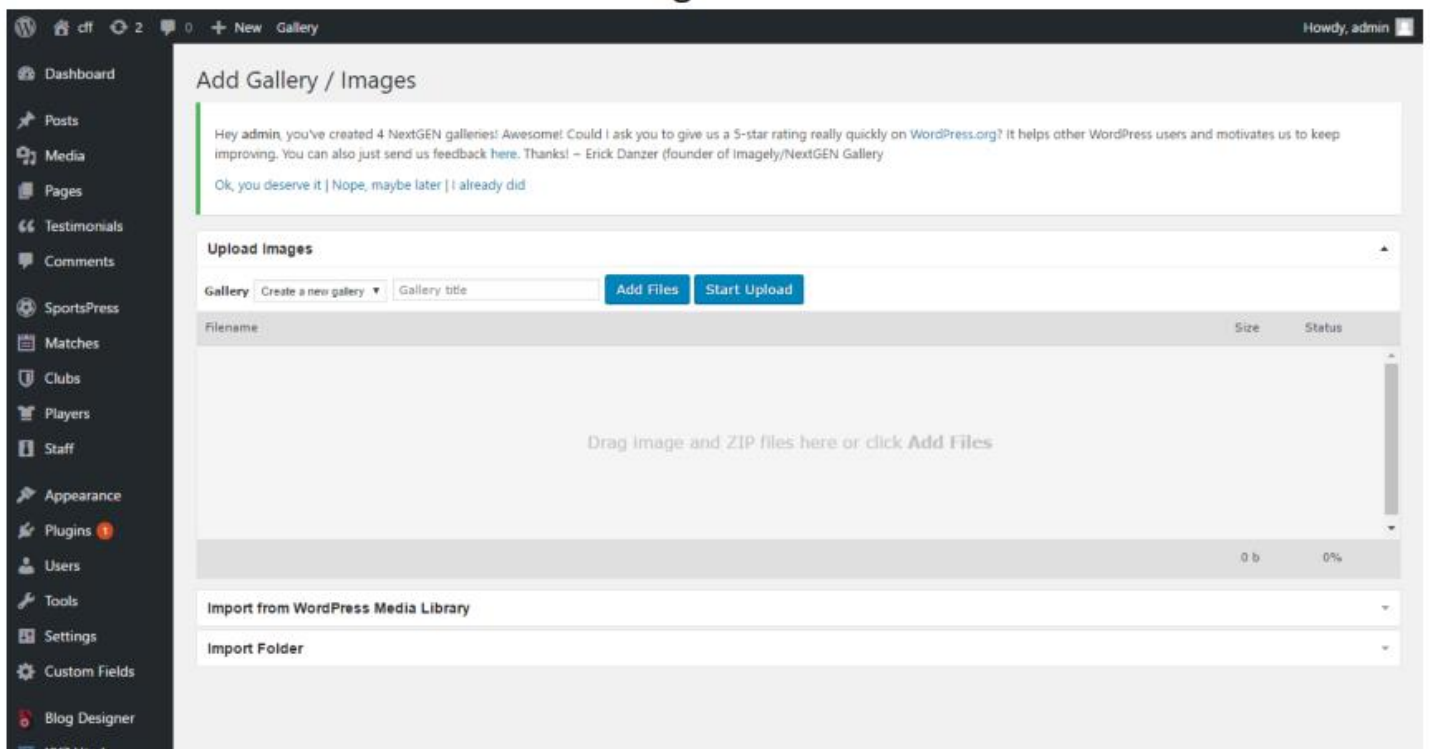

Step1)

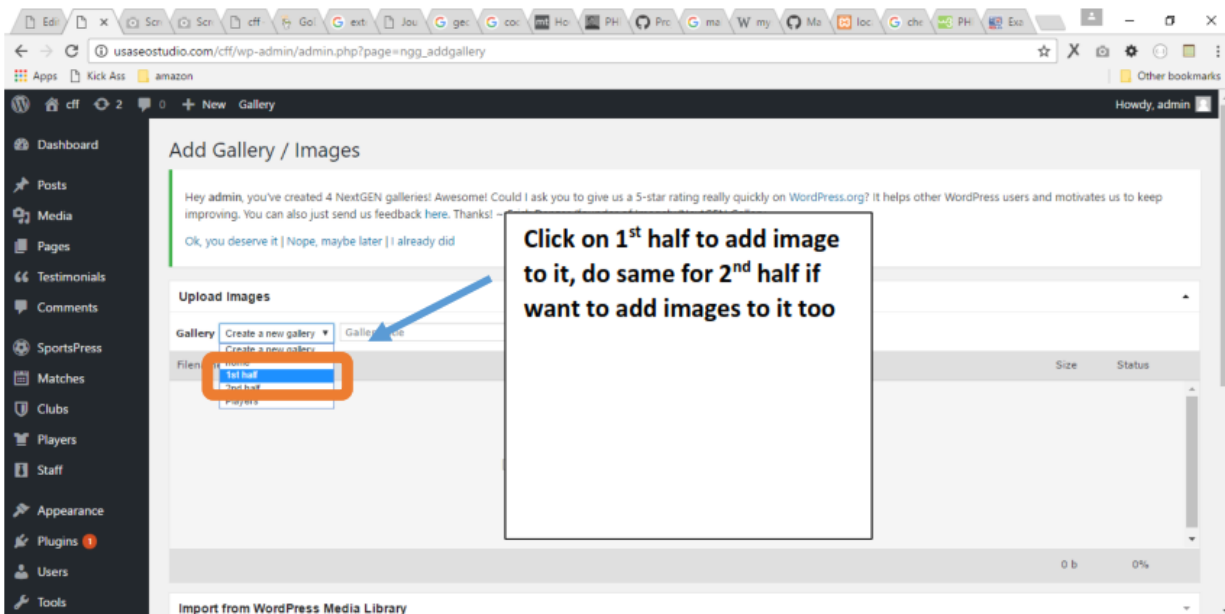

You will be redirected to the add images section

To add images to 1st half section

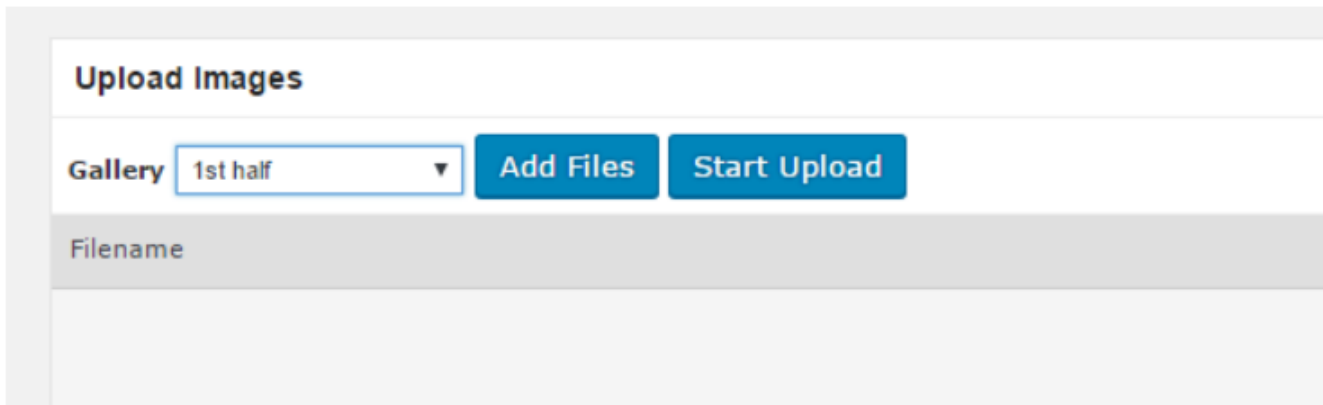

You will be redirected to the add images section

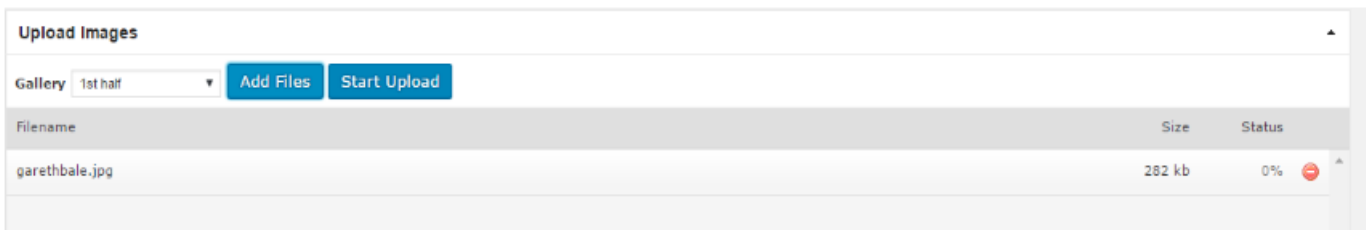

After selecting 1st half on “ **Add Files** ” button

After selecting 1st half on “ **Add Files** ” button

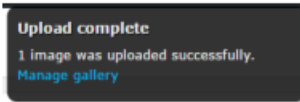

And select images you want to upload/add to 1st half section
After selecting the image it would look like this

And click on “**Start Upload**” to initiate uploading and adding process

If It shows this notification

Its means you have successfully added images to the 1st half section

Repeat this process to add images to 2nd half image section
